Some Kind Words from our Previous Couples

The Best Day Imaginable

When we were choosing our wedding venue the unique and spectacular view of the Galtee mountains really captured our imagination but the deal was sealed for us after meeting Liam and staff, who were so friendly/welcoming as well as sampling their amazing menu. From the get go Liam was incredibly easy to work with, really responsive to any queries and always there to offer practical advice. We couldn't have asked for a better person to help make our day a reality.

The day itself was just incredible. We had the most beautiful outdoor ceremony & reception on the veranda. The addition of the tiki bar also added to the summer relaxed vibe. Again Liam, Adam and staff were amazing. They kept everything running smoothly and created a really relaxed atmosphere – nothing was too much trouble. Their care and attention to detail made our day so special, we couldn't have asked for better.

The food and service were brilliant. I've had several guests remark on how delicious everything was and how friendly and obliging all the servers were. We would highly recommend Aherlow House Hotel as a wedding venue, not only for the view but the amazing staff that make the day run so smoothly!

Sarah and Shane, July 2024

When we were looking for a venue for our wedding day there really wasn't any other choice other than Aherlow. It's hidden away in the mountains with a view that would take your breath away. Your wedding day is really cozy and private. What stood out for us on our wedding was apart from getting married was how smoothly the whole day went and that was a big part to Liam, Adam and there friendly team of workers. Our wedding day was everything we could of dreamed of and more. Liam really couldn't do enough for us he really takes all your needs into consideration. We couldn't recommend Aherlow house enough to any couple planning on marrying there. It's a decision you'll never regret.

We surely haven't

Sinead & Philip, June 2024

We fell in love with Aherlow house Hotel the moment we walked out onto the patio area the scenery, the view, just wow On top of that the service we received from our very first meeting with Liam the wedding co ordinator was just amazing no task too big no request ignored he helped us with every stage of planning our big day from table layout to menu selections We were blessed with a glorious day the sun shone and we were able to have our dream wedding outside with the stunning galtee mountains as our backdrop .. our day was perfect from start to finish we only wish we could do it all over again
